Juniper Springs

Juniper Springs is one of the oldest and best-known recreation areas on the East Coast. Located between Ocala and Ormond Beach along SR 40, this complex of swimming and picnic area, campground and trails was constructed in the 1930s by the Civilian Conservation Corps. The setting houses hundreds of tiny bubbling springs and massive springs gushing out of crevices in the earth beneath a dense canopy of palms and oaks, an oasis within the heart of the desert-like scrub ecosystem.
